

DUST STORMS ARE SWEEPING EIGHT STATES

Scores Of Families Are Driven From Their Homes

Kansas City, April 10.—(P)—Grimy wagons and motor cars carried scores of families out of northwestern Oklahoma tonight in full flight from an eight-state dust storm—among the most severe of a devastating series.

Crop and livestock damages, already piled high in uncounted millions, increased rapidly, principally in Kansas, Oklahoma and Colorado. Parts of New Mexico, Iowa, Nebraska and Texas also were hit.

The swirling clouds, which late today reached Kansas City, were viewed by R. L. Throckmorton, head of the Kansas State College agronomy department, as spelling doom for the big wheat acreage in western Kansas.

He said not even rain now would check devastation in the drought-ridden sector, a major source of the nation's wheat.

Many schools and stores were closed in Colorado and Kansas. The business district at Scott City, Kas., was shut down for the third consecutive day.

More than 100 families have deserted Cimarron and Texas counties in the northwestern Oklahoma Panhandle. Chester Lamar, an FERA administrator, said that 100 "normally self-sustaining" families have left Texas county alone within the last 30 days.

Floyd Hudson, member of the congressional committee in Cimarron county, said the dust has driven out all but three of the 40 families who once lived in the six townships south of Boise City, Okla.

Attributing conditions to the dust, Mrs. Mabel Lathrop, relief worker at Guyton, said 4,000 of the 5,500 families in six northwestern Oklahoma counties are on relief rolls.

"We're heading east," she said, "and many of the occupants of 36 truckloads of furniture sighted today between Guyton and Boise City would say."

FDR Preparing His Message On Veteran Bonus

Leaders Believe That Patman Bill Will Be Opposed By President

By Francis M. Stephenson, Associated Press Staff Writer.

Washington, April 10.—(P)—President Roosevelt, who opposes immediate cash payment of the bonus—today indicated to Senator Robinson, of Arkansas, Democratic leader, that he planned a special message soon to Congress on the issue.

In a genial mood after reviewing the entire legislative situation with the president, Robinson refused to give details of the proposed bonus measure.

There was speculation that Mr. Roosevelt might offer a compromise since the House already has passed a bonus bill, but leaders at the capitol said they heard nothing of such plans. Outright opposition from the president to the pending measure—the Patman bill which would pay the soldiers certificates with new currency—was their guess.

For all the reports that Mr. Roosevelt was dissatisfied with the slow legislative progress this session and planned to "check down" the smiling Robinson said the president was satisfied with the progress that had been made thus far, even though the only important administration bill to pass through is work relief.

INCREASES SILVER PRICES
Washington, April 10.—(P)—President Roosevelt tonight increased the price the treasury will pay for newly mined silver from 64 cents to 71 cents, effective on production dating from April 10.

Weather

For Jacksonville and vicinity—Rain will continue to fall today, with colder weather by night. Friday will be generally fair.

The U. S. Co-operative Weather Bureau at the Norbury Sanitarium last night gave temperatures as: High 50; current 50 and low 39. Barometer readings were: A. M. 30.07; P. M. 29.88. Rainfall .53 of an inch.

Illinois—Rain in central and north, cloudy in extreme south portion Thursday, with colder at night; Friday generally fair.

Indiana—Rain, somewhat warmer in east portion Thursday; colder Thursday night and Friday, with generally fair Friday.

Wisconsin—Rain, colder in north-west and west-central portions Thursday; Friday generally fair and cool.

Missouri—Partly cloudy to cloudy with rising temperature in north-west portion.

Iowa—Cloudy and somewhat colder, probably local snow or rain Thursday; Friday generally fair, slightly warmer in central and west portion.

Roosevelt Has Conferences With Department Heads on Four Billion Relief Program

By W. B. Ragdale, Associated Press Staff Writer.

Washington, April 10.—(P)—With the announced intention of spending all of the \$4,000,000,000 that can be used for work and relief before July, 1936, President Roosevelt set out in a series of conferences today to draft a rough, tentative division of funds among various types of work.

One by one, heads of various governmental spending agencies were called into the oval workroom of the president in the executive offices. There they went over with Mr. Roosevelt plans for expanded activities which have been in the making in their departments during the last several months.

The president stressed, however, that it would be some time yet before the work has progressed to the point of making definite allocations to projects. There is hope among presidential advisors that the work can be

started in a broad-scale way on half a dozen or more different fronts at once. They hope to reach a peak about the middle of November.

At the same time, Mr. Roosevelt disclosed that he had no intention of using any of the relief funds for paying benefits to farmers. He indicated clearly that if processing taxes were to be discontinued, some other method of supplying the money for benefits would have to be found.

White House officials disclosed also today that the division of the four billion dollars among types of projects was not likely to follow entirely the divisions proposed by the senate among eight types of work. President Roosevelt said it already had been found that more than \$600,000,000 would be needed to carry the civilian conservation through July 1, 1936. He has authority to shift funds from one group of projects set up by the senate to another.

HOUSE LEADERS BAN 'GAG' ON SECURITY BILL

Twenty Hours of Brisk Debate Will Open Today

By Clarence M. Wright, Associated Press Staff Writer.

Washington, April 10.—(P)—Wide open for amendment, the administration's social security program tonight awaited the beginning tomorrow of 20 hours of brisk house debate over its provisions.

A conference with President Roosevelt last night was followed today by a decision of house leaders not to attempt to take up the bill under "gag" rule which would preclude proposals to change it.

Consequently, before the measure is passed and sent to the senate it will have run through a swarm of amendments such as the house has seldom seen.

The highest house democratic leaders, however, were unanimous tonight in expressing the conviction that both liberalizing and restrictive amendments would be beaten and the bill passed in its present form.

Both republican and democratic chiefs were considering special meetings of their party members to determine what to do about the bill. The republicans want to change it in major aspects; the democrats want to leave it as it was approved by the ways and means committee.

Another Short Crop Of Wheat Is Indicated

Production Will Be Only Slightly More Than Consumption

By Stephen J. McDonough, Associated Press Staff Writer.

Washington, April 10.—(P)—Another short wheat crop was indicated today in the first department of agriculture forecast.

A winter wheat production of 435,499,000 bushels was predicted as compared with 405,034,000 bushels produced last year and a five-year average of 618,186,000 bushels.

This, plus the 190,000,000 bushels spring wheat crop which Secretary Wallace at his press conference estimated would result from the recent lifting of the 10 per cent acreage cut, would result in a total crop of about 625,499,000 bushels, only slightly above the total domestic consumption of 625,000,000 bushels.

There were possibilities that this estimate might be high. The weather bureau reported that during the past week conditions and new dust storms continued in the most severely affected drought area of the western great plains and the crop reporting board mentioned the dry siege.

WANTS MAN RETURNED

St. Paul, April 10.—(P)—Governor Floyd B. Olson today asked Governor Henry Horner of Illinois to return Clifford Brown, arrested in Brainerd, Minn., on a warrant charging abduction in Chicago and taken to Illinois without extradition hearing.

Brown, charged with having kidnapped the 3-year-old daughter of Mrs. Donna Clark, Chicago night club entertainer, was taken to Illinois by Chicago officers yesterday, after issuance of an extradition warrant.

Olson told Horner that the 24 hours permitted for a writ of habeas corpus had not elapsed between the warrant and the departure.

POSTOFFICE BURNED

Chester, Ill., April 10.—(P)—All postal supplies at Rockwood were lost today in a \$3,000 fire that destroyed the post office and an adjacent store building. Cause of the blaze was not determined by firemen.

EDWARD PAYNE RELICS HAVE LITTLE VALUE

Were Valued By Aged Collector At One Million Dollars

Springfield, Ill., April 10.—(P)—The world's largest collection of relics from the stone age, which the late Edward W. Payne proudly valued at more than a million dollars, today was described as being mostly worthless.

Court permission was asked to break up and sell part of the collection of primitive weapons, utensils and decorations made and used by man at the dawn of history.

The Springfield Marine Bank, receiver for the estate of the former real estate dealer here, reported to the Sangamon County Circuit Court that museums, universities and scientists aren't interested in the Payne stone age collection, which occupies 46,200 square feet of space in a Springfield warehouse.

Judge L. E. Stone scheduled a hearing Saturday on the proposal to sell part of the relics and partially liquidate claims of more than \$1,000,000 against the Payne estate.

It was unofficially stated that the stone collection, while unequalled in size, is of little value because each piece is not accompanied by data showing the place of discovery and soil conditions. As a result, historians and geologists are not interested in studying the relics.

Payne, who was one of Springfield's most prominent citizens, spent much money and a large part of his lifetime in assembling the collection, sending agents throughout north and South America to purchase rare objects of great age.

Richard Perrot Is Being Held By Kidnapers

Father Of Boy Contacts Abductor Who Demands Ransom

Chicago, April 10.—(P)—Max Perrot, father of four-year-old Richard Perrot, missing since last Thursday night, tonight said his red-haired son was in the hands of a kidnaper who sought ransom.

He made his statement several hours after he returned from a mysterious trip, asserting that he had contacted the kidnaper, but refused all details as to ransom demands. He added he expected his son to be returned before Sunday, indicating that ransom demands were being met.

Police professed no knowledge of the ransom demand and federal officials declined comment. If federal laws regarding extortion notes or kidnapping were violated the bureau of investigation of the department of justice would take an active part in tracking down the kidnaper of the boy, a mute since birth.

L. J. Kirby, vice president of the Quindria Manufacturing Company, for which the elder Perrot acts as foreman of the die shop, said he had received a call from the father, who added he expected his son to be returned before Sunday, indicating that ransom demands were being met.

NEED TWO JURORS
Harrisburg, Ill., April 10.—(P)—Two jurors were still needed tonight to complete the jury for the trial of Sam Doah, William Bennett and Harry Melton, Progressive miners charged with procuring dynamite for unlawful purposes.

Eight jurors had been accepted as the trial entered its third day today and a fourth special panel was drawn this afternoon in an effort to complete the jury.

One juror approved yesterday had to be dismissed today because of illness.

WOULD KEEP U. S. OUT OF FOREIGN WARS

Neutrality Policy Is Being Shaped By Roosevelt

By Richard L. Turner, Associated Press Staff Writer.

Washington, April 10.—(P)—A strict neutrality policy to keep America free from entanglements in foreign wars was shaped today by President Roosevelt and Secretary Hull.

The letter carried to the white house the results of a still incomplete exploration of the intricate problems involved. His departmental aides have been conducting the study, which is to be made the basis for such a policy, for nearly a year.

In apparently authoritative quarters, it was learned that Mr. Roosevelt has ideas of his own on the subject. As part of such a plan, it was said, he favors two resolutions introduced only yesterday by Chairman Nye of the senate munitions committee and Senator Clark (D. Mo.) one of its members.

These would impose a virtual embargo upon American loans to belligerent nations of the purpose of purchasing munitions or other contraband and would empower the president to keep venturesome Americans out of war areas by the simple expedient of refusing them passports.

During the day, the munitions committee received from the navy a flat denial that it had encouraged collusive bidding by shipbuilders in connection with the current construction program. The naval representatives were told by Senator Vandenberg (R. Mich.) that the department had been content merely to trace rumors of collusion to their source without getting at the facts.

In the light of history, the problems of neutrality go far beyond the Nye and Clark proposals, although they touch directly what many have contended were fundamental causes of America's entry into the ranks of world war belligerents.

Epidemics In State Decline Director Says

Dr. F. J. Jirka Reports That Scarlet Fever, Measles Have Reached Peak

Springfield, Ill., April 10.—(P)—The scarlet fever and measles epidemics which began sweeping the state last November are beginning to decline sharply, Dr. Frank J. Jirka, state director of public health, said today.

Both diseases, reached the peak stage about two weeks ago, the director said, and by the latter part of May are expected to be almost down to normal.

The measles epidemic began earlier than usual and reached greater proportions than the last major epidemic in 1927," Jirka said. "The peak of 3,300 cases reported was reached during the week of March 25 and since that time has shown a drop of about 200 cases a week."

"Scarlet fever reached the peak of 280 cases a day about two weeks ago and has now dropped to 100 cases daily. The peak stage was about four weeks later than usual, but indications are that the number of cases will drop rather rapidly as it is time for the epidemic to go back to the normal stage in comparison with other years."

The number of cases of diphtheria were 50 per cent higher than last year, Jirka said, due chiefly to the outbreaks of the disease in Peoria and Chicago. Meningitis, while not reaching an alarming stage, has maintained the case rate of the last five years, which has been higher than years prior to 1930.

NO FURTHER PEACE APPEAL IS NEEDED

Vatican City, April 10.—(P)—Pope Pius XI believes no further appeal for worldwide peace necessary at this time, prelates said today, and hence will not publish an encyclical April 28, the anniversary of the Holy Year.

The pontiff abandoned the idea of an encyclical after noting the worldwide reaction to his allocution of April 1 in which he appealed for peace.

However, the prelates said, an encyclical may be published at some time in the more distant future if events warrant it.

ARREST SUSPECTS

Havana, April 10.—(P)—Cuban police late today arrested four more men, making the total held twelve, in connection with the kidnapping of Eutimio Falla Bonet, young Cuban millionaire for whose release \$200,000 was paid.

Authorities said they had recovered approximately \$6,000 of the marked United States bills paid for the release of the young Cuban, who is now in Miami.

CHILD HEALTH DAY

Washington, April 10.—(P)—President Roosevelt today issued a proclamation designating May 1 child health day.

HORNER ADMINISTRATION SUFFERS DOUBLE DEFEAT; SALES TAX BILLS FAIL TO MUSTER ENOUGH VOTES

TWO SLAYERS GRANTED STAY OF EXECUTION

Arthur Thielen And Fred Gerner Saved From Chair

Ottawa, Ill., April 10.—(P)—Judge Robert E. Larkin late today granted a stay of execution until May 10 to Arthur Thielen and Fred Gerner, who had been sentenced to die in the electric chair tomorrow morning at the Joliet penitentiary.

Thielen and Gerner, convicted of the slaying of Charles Bundy in the bloody battle that followed the attempted robbery of the Leona bank last January, were in the prison death house when the jurist postponed their execution pending an appeal to the State Supreme Court.

E. C. Luppion, Rockford attorney, told Judge Larkin that Governor Horner had suggested that a stay be obtained. Luppion said the information had been relayed to B. J. Knight, senior counsel for the condemned pair, in a telephone call from W. C. Jones, chairman of the state board of pardons and paroles.

John Hauff, comrade of Thielen and Gerner, who pleaded guilty to the murder and was also sentenced to death by Judge Larkin, secured a similar stay Monday. His execution date was set back to May 10 to allow his attorneys time to appeal.

Thielen and Gerner were to have walked to the electric chair shortly after sunrise tomorrow. They had devoted much time to prayer and receiving friends and relatives. They had been under constant guard, but Warden George F. Schring reported their spirits had been high in anticipation of the reprieve accorded them today.

Near them in the death house are Hauff and Fred Blink, Whiteside county farmer scheduled to die April 19 for the slaying of five persons during a shotgun rampage. Blink has turned sullen and morose and broods over his fate during sleepless nights.

Family Quarrel Results In Five Being Killed

Mother And Four Children Found Dead And Father Fatally Wounded

Philadelphia, April 10.—(P)—Victims of what investigators theorized was a family quarrel over a daughter's prospective wedding, a mother and her four children were found slashed to death in their home today.

They were slain, Police Inspector John H. Driscoll said he believed, by the husband and father, Tony De Marco, 55, who was found in the house, critically wounded with two pistol bullets in his head.

The dead were Mrs. Angelina De Marco, 48; her daughters, Olga, 14, Jean, 20, and her sons, Eddie, 12, and Raymond, 22.

"Jealousy and despondency" were advanced by Driscoll as the motives for the tragedy, with De Marco apparently enraged over the wedding plans of dark-haired Jean, said by friends to be his favorite child.

Her body, fully clothed, was found on the kitchen floor, a bullet through her head and her throat cut. Her father's form was stretched out in a doorway between the dining room and the kitchen.

A note, written in Italian and bearing the message: "6:30 a. m. Well, I just finished the job up," was found in the house.

WILL MAKE ANOTHER TRY FOR SPEED MAK

London, April 2.—(P)—Sir Malcolm Campbell, British automobile speed ace, told a luncheon audience today he would make another attempt this year to drive his powerful Blue Bird 300 miles per hour.

Campbell, who recently returned from Daytona, Fla., where he piloted Blue Bird to 276.816 M.P.H. for a new world's record, said he had not yet determined where he would make his next assault.

QUINTET ARRAIGNED

Quincy, Ill., April 10.—(P)—Five persons, including three Quincy men, were arraigned in police court today on charges of having stolen 15 cases of whisky from a trucking company warehouse here.

Those held were Morie (Turkey) Jobe, John Bernhardt, and Paul (Missouri) McDonald, all of Quincy, and two others who gave their names as Earl and Helen Clark and their addresses as Peoria, Ill.

Mrs. Elizabeth Boon, 102, Used to Smoke Pipe But Has Changed to Chawin'

Detroit, April 10.—(P)—Mrs. Elizabeth Boon was 102 years old today and inclined to look on such subjects as longevity with a complacent attitude.

Born on the Indiana frontier, "Grandma" Boon recalled that her mother died at 102, but that her grandmother lived to be 130. Her father died at 99. "He killed himself choppin' wood," she said.

"I ain't never voted," she said, "because I can't neither read nor write. I don't know much about what they're votin' about, so I leave it to folks that do."

Of cigarettes "Grandma" Boon made some very pointed remarks, but admitted that as a girl she smoked a pipe. "Folks didn't seem to like it, though, so I took up chawin'." It's handier anyhow.

THREE NATIONS SEEM AT ODDS OVER PROGRAM

Britain, France And Italy Will Agree On Some Points

By Andrus Berding, Copyright, 1935, By The Associated Press.

Stresa, April 10.—Decided differences of opinion among the British, French and Italian delegations as to the best way of insuring Europe against war was indicated tonight.

While the three powers are agreed upon accepting Germany's rearmament and upon the necessity of getting the Reich into some system of non-aggression and security, they were authoritatively reported sharply at odds as to the methods to be followed.

Great Britain and Italy, the best informed quarters said, are at opposite extremes, with the French somewhere in between them but probably closer to Britain.

Premier Benito Mussolini, most for the conference, spent the afternoon and evening isolated on Isola Bella Island, conference headquarters, going over his plan of action for tomorrow with Fulvio Sivich, his under-secretary for foreign affairs.

Premier Pierre-Etienne Flandin and Foreign Minister Pierre Laval of France arrived tonight and Prime Minister Ramsay MacDonald and Foreign Secretary Sir John Simon of Britain's chief conferees, arrive tomorrow morning.

Tells Business Men They Must Accept N. R. A.

Edward Feline Declares Abundance Must Be Passed Around

By Nathan Robertson, Associated Press Staff Writer.

Washington, April 10.—(P)—American business men were told today by one of their most successful associates, Edward A. Feline, of Boston, that they must accept N. R. A. because America has "come upon an utterly new time" in which the "abundance must be passed around."

Testifying in the senate finance committee's NRA investigation, Feline, also warned:

"If recovery does not come soon, we may as well get ready for whatever Dr. Townsend, Father Coughlin and Huey Long propose."

Feline, a gray haired Boston merchant, said NRA had made mistakes over which he had "groaned" and lashed out at business for missing its opportunity to make the most of the law, but he added:

"Nevertheless, the issue now is clear. It is: Shall we keep on with this effort to organize our American life in accordance with the new economic facts, or shall we go back to the practices which landed us in this depression?"

"There was a time," he told the closely listening senators, "when business could get more if the masses got less. There was a time when the employers could make more profits if their employees got less wages; and it was during that time that most of us business men developed our theories of business."

"But that time has passed. The trouble is that the theories are still sticking around."

SHOT TO DEATH

Belleville, Ill., April 10.—(P)—Dr. O. C. Gallenbeck, a dentist, was found shot to death in his home late today. A rifle was found at his side. Mrs. George Littmann, who told police she was downstairs in the Gallenbeck home when she heard a noise on the second floor.

When she ran up stairs, she said, she found the dentist slumped in a chair. She told the police she believed the shooting an accident. No message was found.

HOOVER WILL WIELD POWER AS GOP HEAD

Former President To Take Position In Background

By John F. Chester, Associated Press Staff Writer.

New York, April 10.—(P)—Herbert Hoover, titular head of the republican party, was reported authoritatively tonight to be planning to wield actively—but from a position in the background—the weight of that title in shaping the G. O. P. for the 1936 campaign.

As the former president planned to leave tomorrow for his Palo Alto, Calif., home he left a somewhat divided opinion as to his own aspirations, however, among the more than two score political leaders and acquaintances who conferred with him.

One group received what one of its members called a distinct impression that Mr. Hoover does not expect to be the republican nominee in 1936, and does not now intend to seek the position.

There were others, however, who while not saying he would "seek" the nomination, asserted after talking with him that he would like once more to carry the republican standard against Franklin D. Roosevelt.

To no one, so far as could be learned, did the former president say that if the nomination was thrust upon him he would decline to accept it.

In one usually informed quarter it was asserted that Mr. Hoover felt he had much to gain by not making any open move toward the candidacy. In the first place, it was said, his words would carry more weight than if he were an avowed seeker after the nomination. In the second, it was added, if he himself does not desire it then silence would give him more of a hand in the selection of a candidate when the time comes.

DRIVE FOR WOMEN JURIES IS UP TO REPRESENTATIVES

Springfield, Ill., April 10.—(P)—The women's campaign to win the right to sit on Illinois juries now depends upon the House of Representatives. The Mundy bill for women jurors was defeated in the Senate by a two vote margin today.

It was the third time J. S. Mundy, Marshall Democrat, had attempted to get the upper house to pass his bill to have the names of women placed on jury rolls. This time he permitted the bill to die, abandoning efforts to keep it on the calendar.

A similar measure, sponsored by Representative Bernice T. Van Der Vries, Winnetka Republican, and Warren E. Brockhouse, Concord Democrat, is awaiting consideration in the House.

Four years ago the legislature passed a women-on-juries bill, but the Supreme Court held it unconstitutional on the ground that a referendum was ordered.

NEED CLOCK WINDER

Belleville, Ill., April 10.—(P)—Street lights burned throughout the daylight hours here today because the official "turner-offer" was on strike.

The turning off of the lights is automatically controlled by a clock maintained by the Illinois Power and Light company. When employees of the company went on strike recently their number included the man who winds the clock and the time piece finally ran down today. An official of the company said the lights would continue to burn until someone could be found to wind the clock.

STRIKE CONTINUES

Centralia, Ill., April 10.—(P)—There were no indications tonight of an early settlement of the strike of Illinois Power and Light Corporation workers which has affected gas and light service of various Illinois towns during the past week.

The strike went into its second week today. Several telephone poles were saved off between Collinsville and Troy, Ill., today interrupting service for two hours.

STATE SENATE GIVES MEASURE ONLY 10 VOTES

Roll Call Halted In House To Save Bill

By Milburn P. Akers, Associated Press Staff Writer.

Springfield, Ill., April 10.—(P)—The Horner administration today suffered a double defeat in its first effort to get legislative approval of the bills to raise \$26,000,000 for unemployment relief by increasing the sales tax to three per cent and placing a similar levy on utilities.

The sales tax increase bill got only 10 of the necessary 34 votes in the Senate.

Constructive Relief

The message brought to civic leaders here by Dr. M. H. Bickham, program planning director for the Illinois Emergency Relief Commission, offers a way out of many a perplexing situation. Dr. Bickham has the very wholesome belief that the communities themselves must use initiative to solve the problem of unemployment. His stories of what Illinois counties and towns have already done with this idea encourage the belief that he has found a sound solution to the relief problem.

The plan applies to all able-bodied persons on relief. All that is needed is for civic-minded people to evolve the projects to put the people to work. Such projects should be self-sustaining and wealth-creating, so that the workers will feel that they are really doing something worth while.

The idea of bringing in new industries has a real appeal for Jacksonville. There was a time when local citizens were ambitious for factories, but during the past few years the ambition has lagged. New industries offer a means of putting hundreds to work here, and there is no reason why Jacksonville should stand idly by while factories are established elsewhere.

Dr. Bickham's coming may start this city on the road to real prosperity. We must make a thorough search for local projects and start things moving. It will mean reemployment and independence for the thousands of families on relief and add to the wealth of the community. In this movement the local press stands ready to render all possible service.

The Ham What Am

A Virginia meat processor has a cured ham 32 years old, on which he places a value of \$5,000. We think the price is too high and suggest that Mr. Wallace look into the matter. Maybe there is nothing he can do about it, but he might derive some more recent vintage is not so costly, satisfaction in knowing that ham of more recent vintage is not so costly after all.

If perchance anyone should purchase even a slice of this Virginia ham and seek to have it on his menu, he would of course want some eggs, of equal age to go with it. Cold storage firms should be searching their warehouses. The processor does not state how the ham was cured or what was wrong with it before curative measures were employed. The curing took place so long ago that perhaps he has forgotten the details. It is impossible to see why he would want so much for one ham, even if it is cured. We'd as soon select a healthy pig of the present generation, buy it at the market price, and get ourselves some fresh ham.

Immigration Scandal

The beginning of revelations of scandals in the U. S. Immigration Service is startling enough. The public will doubtless be shocked by what will follow if forecasting of evidence by investigators means anything. The fraudulent entries of thousands of immigrants extend over a ten-year period and it is believed a ring of bribe-takers within the service has collected about \$1,000,000 from those who for some reason best known to themselves are willing to pay a high price of admission to this country and run the risk of deportation.

The indictment of an ex-congressman in New York has brought to light a favorite means of avoiding deportation. Those who commit offenses and are subject to deportation manage to get themselves listed as "hardship cases." They do this by marrying or becoming ill. It is fairly well established that most of those who obtain illegal entry or become subjects for deportation are part of the underworld and make their living in America by criminal practices.

It is against organized immigration racketeers having a foothold in the government service and ramifications

in all ports that the government is now launching its attack. It is hoped the Department of Justice will have sufficient backbone and more important, administration backing, to go thru with the matter and clean up the whole sorry mess.

The Snail Stays

Thru millions of years the snail has been a constant inhabitant of the earth. While great dinosaurs were being blotted out of a changing world, and while man was being ushered into it the snail lived on, and he remains to this day because he has learned the knack of adapting himself to changing conditions.

He has become divided into about 30,000 varieties, which are found in all sorts and conditions of climate and environment. There are snails two feet in length and others only a millimeter long. There are snails that live on land, on water or in trees. In some places the varieties vary from valley to valley. But they are all snails.

Smug Buttons

From The Taylorville Breeze-Courier
A Chicago jeweler has what he thinks is a brilliant idea. He wears a red, white and blue button on his coat lapel bearing this motto:

"Just a taxpayer—neither on dole nor on public payroll."

At least he wore it to a recent banquet of his college alumni association. And he urged all the other banqueters to go and do likewise.

It may seem a fine idea to many—at first. Some may start wearing such a button on the street. And if they do, they will probably quit after a few good pokes in the nose. For that is probably just what they will get.

And deservedly. For such a smug and insolent statement, displayed in any public place where it was seen by men eating their hearts out in shame, humiliation and despair over the pitiful plight in which they have been placed by no fault of their own, would surely call for quick, forcible rebuke.

True, there are many cheaters and loafers on the dole. But there are also an appalling number of men and women just as decent and self-respecting as those who are now able to pay income taxes, except as their self-respect is destroyed by eating the bitter bread of public charity.

Most Sensible "Piffle"

A citizen of Ohio who must have lost sight of his country's good wrote to Senator Vic Donahey and wanted to know why he voted against the world court. The Senator answered the inquiry with a letter that should be read by every patriotic American. But the Ohioan sent it to the editor of an internationally-slanted paper, with the comment that it was "mere piffle," and was not worthy to be called an argument.

Fortunately the editor published the letter, too with the intention of making Senator Donahey unpopular. But the sound sense in the letter, the statistics it quotes, and the European ingratitude toward America it reveals are things which should make patriots. We are glad to publish the "mere piffle" the Senator wrote. Here it is:

"If Great Britain made the payment due us on the war debt, it would cost her 4.1 per cent of her budget. She says she can't pay us, but she is spending 13 per cent of her budget on armaments.

"If France paid, it would cost her 2 per cent of her budget. She says she can't pay us, but she is spending 27.4 per cent of her budget on armaments. After the armistice was signed we loaned France more than a billion dollars and during the same period of time she loaned other European countries \$700,000,000.

"If Italy paid us, it would cost her 1.4 per cent of her budget. She says she can't pay, but she is spending 33.1 per cent on armaments.

"We spent \$42,000,000,000 on their war. We loaned them \$12,000,000,000 more. We conscripted 4,000,000 men for their war. We shipped 2,000,000 across the sea. We shipped almost all in British bottoms, and paid Great Britain \$140 to \$180 for the transportation of every boy. We paid them to transport our boys to their war.

"A hundred and twenty-five thousand of those boys never came back.

"We are paying \$800,000,000 a year interest on these debts that we contracted for them and that they now refuse to pay.

"If you subscribe to the greatest fraud of all time and condemn me for voting 'no' on world court adherence, sign this statement and return it to me.

"VIC DONAHEY."

FUNERAL NOTICE

Funeral services for Claude E. Mayberry will be held Friday morning at 10 o'clock at the Williamson Funeral home. Interment will be in the Athensville cemetery.

NOTICE

A meeting of ex-service men who are interested in the election of Henry G. Meyer an ex-service man for Mayor, will be held at the New Dunlap Hotel Friday evening at 7:30. All World War veterans and Spanish War veterans are invited and urged to attend.

Dogs Leave Twenty Sheep Dead, Dying After Vicious Raid

Clyde Hubbard Near White Hall Heavy Loser as Flock is Attacked

White Hall—Clyde Hubbard, a farmer residing in the Pleasant Dale neighborhood west of White Hall, had a large number of sheep killed Monday night or Tuesday morning by dogs.

Mr. Hubbard had the sheep in a small lot with access to a barn and shed, and about four o'clock Tuesday morning he heard a dog barking and dressed and took his gun and lantern. He shot a police dog. If there had been other dogs in the lot they had disappeared.

He found seven ewes and three lambs dead and ten others that he had killed, making a total of twenty dead sheep and several more so badly hurt that they will probably die. Some of the dead animals were scattered about the lot, and some were in the barn and shed.

A number of the motherless lambs were given to neighbors to try to raise them on bottles. Mr. Hubbard had forty-four ewes and fifty-nine lambs when the dog began his depredations.

Henry Bollinger of Point Pleasant, New Jersey, is spending a week with Mr. and Mrs. Thomas Hull on South Main street.

The American Legion Auxiliary met Monday evening with Mrs. Ernest Neece on Jacksonville street, with Mrs. H. W. Broberg and Mrs. H. W. Culbertson assisting. There were eighteen ladies present and routine business was transacted.

Domestic Science Meeting
The White Hall Domestic Science club met Tuesday afternoon at the home of Mrs. Frank Dawdy on North Main street with twenty-four members and five guests present.

The guests were Mrs. Clara Bell Graves of Springfield, Mrs. Mary Shirley of Denver, Colorado, Mrs. Otto Wilkes, Mrs. Joseph Lyman and Mrs. Jack Neal.

Election of officers was held and all the old officers were re-elected except the vice-president who asked to be relieved.

The officers for next year will be Mrs. Mont R. Winters, president; Mrs. R. G. Dugger, vice-president; Mrs. William Mace, secretary; Mrs. L. O. Goodrich, reporter, Mrs. H. C. Windt.

Delegates to the annual district meeting to be held in Petersburg, May 8, were elected. They are Mrs. L. W. Hornbeck and Mrs. L. A. Goodrich, and alternates are Mrs. A. J. Harding and Mrs. L. O. Branson.

Mrs. Kenneth Taylor was elected to membership, making thirty members on the membership roll.

A committee was appointed to arrange an entertainment to be held on May Day or a date near that time, announcement for which will be made later.

Mrs. Roy Dugger introduced Mrs. Clara Bell Graves of Springfield, as guest speaker, and she spoke on the subject, "Kitchen Klutter."

Daughter of Local Woman Meets Death In Water of Creek

Mrs. Anna Bird Notified of Death of Mrs. Holmes from Car Wreck

Harrisburg, Ill. — (AP) — Bernadine Holmes, about 23, recently divorced wife of Grover Holmes, Pope county state's attorney, drowned early Wednesday when the automobile she was driving crashed through a highway fence into a flooded creek near Goldconda.

Residents of the neighborhood who heard the crash about 2 a. m. The body of the woman was not recovered until 7 a. m. however.

The woman is survived by two children and her mother, Mrs. Anna Bird of Jacksonville.

Mrs. Anna Bird, mother of the tragedy victim, resides at 1126 South East street. She left by bus at 10:45 o'clock yesterday morning for Goldconda, in company with another daughter, Mrs. Elba Lumley of this city.

Relatives here received word of the accident early Wednesday morning. Mrs. Bird, the mother, was formerly employed at the Jacksonville State hospital.

Mrs. Holmes had visited here on several occasions.

DURBIN

Owing to the snowstorm Sunday morning neither Durbin nor Asbury held services.

The Ladies Aid will meet Wednesday afternoon, the 17th, with Mrs. Grace McDewitt, Mrs. Nettie Ebrey is assistant hostess and the program has as its theme "Gardens."

William Hills who has been quite ill for several days entered Passavant hospital Sunday evening for treatment.

Miss Frances Scott of the U. of I. spent the end of the week at her home. Howard Scott accompanied Mr. and Mrs. Howard Browning of Lowder to St. Louis Sunday. The Browning children, Mildred, Esther, Robert, and Lois, spent the day here with their grandmother, Mrs. Scott.

Mr. and Mrs. Jack Behnmer and children moved to North Dakota last week. Mrs. Behnmer is the daughter of Mrs. Laura Sheppard.

Mr. and Mrs. Herbert Simke are visiting relatives in Normal for a few days.

Mrs. Carter of Jacksonville is visiting her daughter, Mrs. E. C. Ransdell.

Miss Wilma Oxley was kept from school part of last week by measles.

Dr. M. H. Bickman Tells Civic Group Results Of Relief Planning

"The initiative that will establish a program of planning and work for those on relief and rebuild under the distressed a basis of social security must come from the local community." Thus did Dr. M. H. Bickman of Chicago, director of program planning for Illinois, outline work relief motives Wednesday afternoon at a dinner meeting of civic leaders here.

Modern Americans Will Feature Art Exhibit for April

New Collection of Works of Artists Will Draw Crowds to Gallery

The April Exhibition at the Strawn Gallery will open on Friday the 12th, offering to the public a very interesting collection of pictures in three groups.

Modern Americans
The exhibition of "Modern Americans" assembled by the College Art Association of New York City, shows recent work by artists represented so that a true cross-section of the trend in art is afforded. In this group are forty canvases including the work of such artists as Blanch, Carroll, Mattson, Poor, Chaffee, Alexander Brook, Kantor, Killam, Davis, London, Tomlin, Kilgus, Marsh, Etner, Hiler and many others.

It is an interesting showing of what the forward-looking artists are doing. An exhibition of reproductions of watercolors, pastels and crayons by modern European and American artists will be on view in one of the other rooms. Important modern painters, including the late 19th century Impressionists and Post-Impressionists as well as outstanding artists of the 20th Century are represented in this collection. Reproductions in colors were selected for exhibition on their merits as reproductions. Most of these reproductions are executed with such precision that it is difficult to distinguish them from originals.

The 19th century men are Guss, Manet, Renoir, Cezanne, Gauguin, Van Gogh, Siquas.

The 20th century French artists represented include Andre Derain, Jules Pascin, Maurice de Vlaminck, Marie Laurencin, Jean Lurcat, Fernand Leger, Andre Masson, Marc Chagall, a Russian and the Spaniard Pablo Picasso, both living in Paris. Two Germans, Erich Heckel and Franz Marc are shown, as well as the Swiss Paul Klee and the Austrian Oskar Kokoschka, who identified themselves with Germany.

The Americans are John Marin, Charles Demuth and Boardman Robinson.

In the third gallery a one-man show by Hortense Fern shows a group of twenty-five of her latest work. Flowers and landscapes show rich color and handsome design and show the artist's skill in noting color, form and design as existing in each other. In these twenty-five pictures there is ample opportunity to give a full statement of the artist's highly personal style.

Probate Court Orders

Estate of Mary F. Alderson—Final report on file. Proof of mailing notice. No objections on file. Report approved and distribution ordered.

Estate of James B. Cooper—Inventory approved. Appraisement bill approved.

Estate of Gottfried Tendick—Final report on file. No notice required. Report approved. Executor discharged and estate declared closed.

Estate of Eleanor Lillie Dunn Whitely—Final report on file. Proof made of mailing notices. No objections on file. Report approved. Executor discharged and estate declared closed.

Estate of Peter Zimmerman—Final report on file. Proof made of mailing notice to all heirs and unpaid creditors. Estate insolvent. Report approved, estate declared closed and administrator discharged.

Will Rogers SAYS:

To the Editor of the Journal and Courier:
Beverly Hills, Cal.—My boss is dead, my friend is dead. Adolph Ochs, owner of the great New York Times, is the first man that I ever wrote for, and he was personally that got me to try it. Think of being lucky enough to break in at the top, for that paper is the tops. He was a fine friend, and a fine citizen. Then another good friend, Warren Robbins, our minister to Canada, is gone too. He is the man who took me in to see Mussolini, when I got the famous castor oil interview. He next took me in to see the president of little San Salvador, when he was minister there. A fine fellow—Warren, and our diplomatic service will miss him.

27 YEARS World's Standard

BEHIND THE SCENES IN WASHINGTON
BY RODNEY DUTCHER
Journal and Courier Washington Correspondent
Washington.—If you want to know what's really going on in Washington, the best tip for the Easter season is to keep your eye on the Wheeler-Rayburn holding company bill.

The "power trust" and Franklin Roosevelt are at death grips. Each has sworn to "get" the other and there is no forgiveness in the heart of either.

A discussion followed Dr. Bickham's address. He set his hearers thinking along many lines as he told stories of what has already been done.

In Alexander county, where 40 per cent of the people are on relief, several projects of a constructive nature have been started. The city of Cairo has begun to clean up a squatters' settlement along the river and to fill in the land. Arrangements have been made for storage of 6,000,000 pounds of sugar in one of the city's vacant industrial plants, and there are prospects for the establishment of a sugar refinery.

On submarginal bottom lands the federal government has become interested in planting a willow forest which will yield a crop of pulpwood every twelve years. Subcommittees of the local planning group are pushing agricultural, horticultural, and mineral projects.

Tells of St. Clair County
In St. Clair county, where 11,000 families are on relief, a plot of 2,500 acres of farm land has been laid out between Belleville and East St. Louis on which a thousand new homes will be built. This will be a rural rehabilitation project. But 500 acres of the plot along the railroad has been set aside for new industries, which will give the families settled there some employment.

In DeKalb and JoDaviess counties farm-to-market road projects have been planned. More than 200 miles of gravel roads will be built under the new arrangements, which have been made by the counties themselves. In JoDaviess county it is hoped to employ everyone of the 318 able-bodied men in families on relief. Municipal and county rock crushers have been placed in the quarries and relief labor is used to get out material for the roads.

Sometime ago Dr. Bickham was called into a township meeting in Will county. Out of the explanations and discussions grew a project for work relief. "I believe," said Dr. Bickham, "it is suicidal to think of keeping people in idleness for any length of time. They must be put to work and must be reestablished on a basis of social security."

Dr. Bickham has made a study of conditions of life throughout Illinois and in a lecture this evening at the court house, to which the public is invited, he will discuss the conditions and trends in this state which push people toward relief and tend to keep them there. He will illustrate his talk with charts and maps.

That's Really Being Ill
Excerpt from Wheeler's speech, explaining he had received more letters from Philadelphia in a month than from his home state of Montana in two years:

"Most of them show the fine hand of the United Gas Improvement Co. The best of them must have come from Gertrude Stein. It consists of this:

"It makes me sick to think how sick I get when I think about you."

Mr. and Mrs. Hinds Observe Sixtieth Date of Marriage

Ashland Couple Receives Many Congratulations on Anniversary

Ashland—Mr. and Mrs. Matt Hinds, well known residents of Ashland, quietly observed their sixtieth wedding anniversary at their home Monday receiving friends who called during the day.

Sixty years ago, April 8, at 2 p. m. Miss Elizabeth Richardson was united in marriage to Matt Hinds, at her home about one mile from New Salem, near Petersburg, Ill. They resided in Menard county for ten years, then moved to Ashland, where they have since resided. Four children were born to them: Mrs. Ora Pierce, Frank and Rainey, of Ashland, and Roy of Springfield. They also have twenty grandchildren and twelve great grandchildren.

Both in Good Health
Both Mr. and Mrs. Hinds enjoy remarkably good health, and have good sight and hearing. Mrs. Hinds, who is famous for her good cooking, does all

DEMOCRATIC RALLY
Tonight 7:30, court house.
Good speaking, music. You are invited. (Pol. Adv.)

her own housework. Mr. Hinds is a fine gardener and tends a large garden each season besides caring for his lawn and other chores.

Bakes Wedding Biscuits
In their reminiscences to the Journal and Courier correspondent Monday Mrs. Hinds said she made biscuits for breakfast on her wedding day and did the same sixty years later. On her wedding morning, she received a request to dress for burial the three year old child of a neighbor. Mr. Hinds escorted her the two miles through the woods, and on their way, they gathered wild flowers for a bouquet for the little one. The kindly services ended, they returned home for their wedding in the afternoon.

Kindly, neighborly deeds have marked the pathway of this couple through three score years of happy married life, endearing them both to the people of Ashland.

Meeting of Poetry Club
The Poetry club met Monday afternoon at the home of Mrs. Winifred Gill. Mrs. Joseph Jenkins reviewed Swedish poetry. Miss Mary Adkins was a guest of the club. Others present were Mesdames Walter Adkins, U. J. Sinclair, Harry J. Lohman, Eugene Danenberger, John Blank, William Baxter, W. S. Taylor, Anna Conover, Fred R. Prucha and Miss Clarice Reardon.

The Young Women's Foreign Missionary society of the Methodist church enjoyed a pot luck supper at the home of Miss Julia Hewitt Monday evening. Members and a few guests were present and a short program was given.

The Christian church will meet with Mrs. Tom Shelton Thursday afternoon, April 11, at 2:30. The assistant hostesses are Mrs. Callie Marion and Mrs. Fannie Marion. Mrs. Wilbur Moore will have charge of the program.

Mr. and Mrs. Orville Monroe of Newnanville are the parents of a nine pound boy, born Tuesday morning, April 9.

Roodhouse Nurse Secretly Married

Announce Wedding of Miss Janet Byrne and Young E. St. Louis Doctor

Roodhouse—The secret marriage of Dr. Ralph Kneewitz of East St. Louis and Miss Janet Byrne of Roodhouse more than a year ago, has just been announced, shortly after the couple left for the east, where Dr. Kneewitz will engage in a short course of special work in eastern hospitals.

The couple went to Salem, Ill., February 26, 1934, and were married but kept the fact secret until now. Mrs. Kneewitz is a daughter of Mr. and Mrs. J. Byrne of Roodhouse, and graduated from the Roodhouse high school with the class of 1930, entering nurses training at the Washington University in the fall.

Dr. Kneewitz is a son of Dr. and Mrs. O. W. Kneewitz, 1307 North Thirtieth street, East St. Louis. Dr. O. W. Kneewitz is a former president of the St. Clair County Medical society. They both attended Washington University, the groom having been graduated from the School of Medicine in 1933, and Mrs. Kneewitz in the same year.

Dr. Kneewitz has been an intern at Barnes Hospital since his graduation and expects to return to that institution after completing his study in the east.

Mrs. Jess Marsh has been called to the home of her daughter, Mrs. Coy Mansfield in Athensville to help care for her two sons who have measles.

Mrs. Marshall Meckley of Chicago is visiting in the home of her parents, Mr. and Mrs. Joe Bowns.

Several are Hurt In Car Accidents Near Jerseyville

Two May Have Fractures of Skull; Hardin Man En Route Here Injured

Jerseyville—A series of automobile accidents during the week and sent a number of local people to the Jerseyville hospital for emergency treatment and two are being treated there for skull injuries. Those suffering from possible fractures of the skull are William Fuller of Hardin and Mrs. C. W. Reynolds of Jerseyville. Others taken to the hospital were given emergency treatment and dismissed.

Mrs. Reynolds was brought to the hospital after midnight Saturday following an accident on Route 67 near the junction of that highway leading to Grafton.

Mrs. Reynolds was riding in a Hupmobile coupe with her husband. The two were accompanied by Miss Alberta Brown of Kane and Harold Farrow of Eldred, and the group were driving to Jerseyville to spend the evening.

The car skidded from the wet pavement, ran against a concrete abutment and overturned. Mrs. Reynolds was thrown against the windshield and received a severe head injury.

About six o'clock Sunday evening, William Fuller was brought to the local hospital in an unconscious condition.

Coming to Jacksonville
Fuller was enroute to Jacksonville to visit with friends, and when he was passing the Edward Crone farm north of Jerseyville on Route 67, his car skidded on the wet pavement, ran across the shoulder then through a fence and finally collided with a tree.

A resident of Alton who arrived shortly after the wreck, brought Fuller to the Jerseyville hospital. There it was found that his injuries were of a serious nature. It was indicated that he might have a fracture of the skull. One ear was badly lacerated and had to be stitched back into place.

James Coombs and Robert Miller of Jerseyville and William Fielden of Wood River, about nine-fifteen o'clock Saturday evening, the car in which the three were riding met an auto driven by Edward Yawn of Wood

River. The two vehicles sideswiped and left the pavement.

The Coombs machine ran over a rock pile and down an embankment. Kraus suffered minor lacerations on the hands, and Coombs and Miller sustained slight bruises. The occupants of the Wood River machine escaped injuries.

Morgan County May Prosecute Prisoner

Edw. Wemple Gets Warrant Charging Pike Man with Corn Theft

Sheriff Kenneth Woods has delivered a warrant to Sheriff Johnston of Pike county, charging Floyd Howard, a Pittsfield man, with larceny in this county. The warrant was sworn out in Justice C. S. Smith's court by Edward Wemple of Waverly, whose corn crib recently was robbed of about 50 bushels of grain.

When the Morgan county sheriff reached Pittsfield he found Sheriff Gus Campbell of Cass county also holding a warrant, and ready to take the prisoner to Virginia for prosecution.

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouth and call it bad breath. We feel the poison of this decay all over our body. It makes us gloomy, grouchy and no good for anything. What makes the food decay in the bowels? Well, when we eat too much, our bile juice can't digest it. What is the bile juice? It is the most vital digestive juice in our body. Unless 2 pints of it are flowing from our liver into our bowels every day, our movements get hard and constipated and 3% of our food decays in our 28 feet of bowels. This decay sends poison all over our body every six minutes.

When our friends smell one had breath (but we don't) and we feel like a whipped tomato, don't use a mouthwash or take a laxative. Get at the cause. Take Carter's Little Liver Pills which gently start the flow of your bile juice. But if "something better" is offered you, don't buy it, for it may be a calomel (mercury) pill, which loosens teeth, gripes and sends the rectum in many people. Ask for Carter's Little Liver Pills by name and get what you ask for—25¢. ©1934, C.M. Co.

tion. The sheriff of Fulton county is interested in the case, so that it appears to be a toss-up as to which county will have first chance to prosecute the alleged corn thief.

Howard has confessed to a series of corn crib robberies in central Illinois. He was arrested Sunday after a running chase of more than 100 miles through Cass and Mason counties, following a robbery at the Stribling farm near Virginia.

MAKES STATEMENT
Frank Taylor has asked The Journal and Courier to state that his name was announced on a committee of a political ex-service men's league without his authorization.

car?

Plain mineral oils are obsolete! You need a Germ Processed* oil for today's car!

BACK in 1924 most cars had less than 60 horsepower, and any high-quality motor oil could lubricate them properly.

But today's cars range from 80 to 180 horsepower and the average is over 100. With increased power have come like increases in bearing pressure and crankcase temperature. Oil today must do a job undreamed of ten years ago.

Yet motor oils generally have no more oiliness and film strength now than they had 10 years ago. New refining methods have recently come into use to make oils free from carbon and sludge. But the new refining processes have lowered instead of increased film strength and oiliness—the very qualities on which depends an oil's lubricating value!

There is one exception—Conoco Germ Processed Motor Oil. It, too, is free from carbon and sludge troubles. But more important, Timken Machine tests prove that the new Germ Process* puts into this oil 2 to 4 times the film strength of any straight mineral oil!

That extra film strength enables Germ Processed Oil to stay on the job and prevent wear under the most extreme pressures and heat. It helps Germ Processed Oil give long mileage, as proved by the famous Indianapolis Destruction Test.

Plain mineral oils were all right ten years ago—today they are becoming obsolete. Say "O. K.—Drain" and fill with Conoco Germ Processed Motor Oil—custom-made for today's cars!

CONTINENTAL OIL COMPANY • Est. 1875

From the diary
of two
National Park
explorers—

"The Conoco Travel Bureau at Denver sent my sister and me road maps for every state, travel booklets and hotel and camp directories—all free of charge."

"With the marked road maps to guide us, we drove through National Parks and Forests with ease and knew the most interesting things to see."

"Conoco men everywhere were respectful and courteous. Anybody taking a trip should apply at a Conoco Station for this free Conoco Travel Bureau service."

"Wonderful—that's the best
word I know"—

• Women everywhere are turning to Electric Cookery.

• Not only do they say this Modern way is "Wonderful", they tell their friends . . . every day you'll experience new thrills of discovery in cooking speed, cleanliness, economy, improved flavor and certainty of results.

Think of this! You too can know these joys, for you may now rent a beautiful All-Porcelain Electric range and have it installed right in your own home for only \$1.95 per month.

• Join those other millions of women who are modernizing their homes . . . see the new Electric Ranges at our store or phone for a representative to show you illustrations—today!

• CHEAPER ELECTRICITY:
for cooking and water heating. New low rates give you the cheapest electric service ever available to our customers. Not only can you cook this modern way but you actually save money on the electricity you are now using for other purposes.

Sunrise Services Planned by Church

Easter Will Be a Day of Special Services at Central Christian

Central Christian church announces Sunrise Prayer Meeting on Easter morning at 6:30. The devotional program will continue for one half hour. A lithograph presentation of the first Easter morning will feature the first page of a four page program which will be given to each person as he enters the church.

The Bible School under the direction of Mr. Mathis is preparing for the largest attendance of the year. During the church worship service new members will be received into the church. At four p. m. on Easter day a baptismal service will be held, preceded by a devotional service conducted by Dr. Pontius and B. O. Rodhouse. The evening service with a program of Easter music and a message by the pastor will close the

program of the day. Easter music for the day will be directed by Miss Mathis, Miss Olds and Mrs. Plouer. Wednesday afternoon preceding Easter the church plans a visitation program when visitors will call upon each home of the members and prospective members of the church, leaving a printed message from the pastor, the Bible School superintendent and the chairman of the Joint Board.

April 28th at 7:30 Franklin Stead of Chicago will present a program of organ music. Mr. Stead is known to many citizens of Jacksonville as he was formerly a member of the faculty of MacMurray College. No admission will be charged.

HEAR MEYER TONIGHT Henry G. Meyer for mayor and other Democratic candidates, 7:30 p. m., court house. (Pol. Adv.)

Ashland Will Name School Directors

Tim Doolin and Mrs. Verdie Campbell in Race for High School Board

Ashland—Ashland public school

elections will be held Saturday, April 13. On the Ashland Community High school board, one member is to be elected to replace Wilbur Moore, who resigned. Tim Doolin and Mrs. Verdie J. Campbell have filed their petitions for the office, and this election will be held at the town hall.

The grade school election will be held at the Farmers' State Bank building, and a president and two board members are to be elected. Harry J. Lohman who is president at this time, is the only candidate who has filed his petition, but it is under-

stood there are several in the field for members of the board and the names will be written in at the time of election.

Mr. and Mrs. Ezra Masten are the parents of a seven and a half pound son, born Tuesday at their home seven miles north of Ashland.

Mr. and Mrs. Paul Dilling and son have moved to their country home after spending the winter in Ashland with his mother Mrs. Della Dilling.

Mr. and Mrs. C. E. White and family have moved to Edinburg, Ill., where he will operate a restaurant.

Club Gives Silver Tea

The Ashland Woman's Club sponsored a silver tea and benefit bridge Tuesday afternoon at the home of Mrs. Fred Hexter. About seventy-five were present, with twelve tables of bridge.

Prizes for high score were awarded to Mrs. C. C. Funnell of Virginia, and Miss Joanna Gardner of Ashland, and low to Mrs. Frank Fitzgerald and Mrs. Henry Volamier.

Decorations and dainty refreshments carried out the club colors of yellow and white. The proceeds from the affair, which was in charge of the social and philanthropic committees, will be used for charitable purposes.

The Loyal Daughters class of the Christian church met Tuesday evening with Mrs. Eda DeGroot. An exchange of flower seeds and bulbs was a feature of the evening's program, which also included contests and games. About twenty were present and dainty refreshments were served by the hostess who was assisted by Mrs. Ruth Page and Mrs. Irene Irvine.

HOLD SERVICES FOR MRS. NANCY ROBINSON

Funeral services for Mrs. Nancy Robinson were conducted Wednesday afternoon at 2:30 o'clock at the Gillham Funeral Home. Rev. William J. Boston and Rev. D. C. Byus officiating. Interment was made in Jacksonville cemetery.

Music was rendered by Mr. and Mrs. Jesse Lankford.

The floral tributes were cared for by Mrs. Walter Bates and Mrs. Elmer Day.

Casket bearers were John Robinson, C. J. Wilcox, Frank Day, F. P. Mills, Charles Bates and Robert Asher.

WHICH SPOILS YOUR BEAUTY

Pimples? Blackheads? Oiliness? Enlarged Pores? Red Chapped Hands?

BRINGS NEW BEAUTY QUICKLY BY CORRECTING SKIN TROUBLES

—say scores of nurses

AMONG the millions of women who are now using this famous medicated cream, there are thousands of trained nurses. They are enthusiastic—they tell their friends to use it. Their training has taught them what the skin needs to keep it healthy and beautiful.

Science now recognizes that many of the common skin faults come from tiny hidden poisons that lurk unseen deep in our pores. Pimples, Blackheads, Large Pores, Oiliness, Coarseness and many other beauty-destroying flaws are now traced to these invisible poisons.

Ordinary care is not enough. Soaps and creams that merely cleanse the surface fail to reach these insidious poisons. A special cream is necessary—a

days visiting relatives in Springfield. R. Guy Seor left Sunday for a several days visit at the home of his daughter, Mr. and Mrs. Virgil A. Bauer in Springfield, Mo.

Mr. and Mrs. E. N. Gause returned to their home in Mound City, Kansas Friday after visiting at the home of their son, Dr. and Mrs. O. J. Gause.

Miss Helen Barton has returned home after spending the past several months attending a business college in Kansas City, Mo.

J. M. Goebel and Joe Weisner were Monday business callers at the state capital.

Five I.C. Students Make Eastern Trip

Return from Visit to Many Historic Places During Spring Vacation

Five students of Illinois College have returned from a motor trip of 3,600 miles taken during their spring vacation. They are Donald Krieger of Edwardsville, Richard Evers of Granite City, Robert Gardner of Pleasant Plains, Henry Clark of Bridgeport, Conn., and Wadsworth Applebee of this city.

The boys drove east to the Clark home at Bridgeport and then motored by way of Middletown, Conn., to Cambridge, where they visited Miss Mary Wadsworth. They then visited New York, Washington and Annapolis, returning home via the southern route.

Commissioner Kenesaw Landis Gives "Dizzy" Dean Some Advice

DR. BICKHAM TALKS RELIEF AT MEET HERE

(Continued from page 10)

social security. These families are in the main suffering from the hazards—death, sickness, insanity of wage earner, etc.—of life or from its vicissitudes, such as old age without children who can care for them.

By constructive measure, the present relief operations may in time be abandoned. We shall have removed the menace of a permanent dole from our state, and shall have achieved a better and more just social order, providing social security for all its members, even those who, by the movements of life of the last few years, have been reduced to life at the relief level. Thus we shall have achieved our objectives of moving all families now living at the relief level toward social security.

"And this will be done in line with the ideals of our American democracy. We need move neither to the brutalities of Communism nor to the hard dominations of Fascism, but move forward to realization of the implications of our American Democracy—social security for all our citizens amid the free opportunities of a progressive state."

(Continued from page 10)

judgment in the administration of the City's affairs independent of any whispering power at the elbow.

"Let us keep away from remote control and deal direct with the issue here in our own city and determine those things for ourselves and place in office people who will abide by our advice and consent.

"Regardless of what your party politics may have been or what they may be, lay that aside and consider these candidates for the office from the standpoint of a citizen in Jacksonville, interested in the affairs of the home town."

ASHLAND S. S. CLASS HOLDS MEETING

Ashland—Miss Mildred Thornley entertained the members of her Sunday school class at her home Thursday evening. The affair was honoring especially the ones of the Senior class. After the necessary business hour a social time was enjoyed by the fourteen girls present.

News Notes

Mr. and Mrs. Francis Marion returned to their home at Altamont, Ill., Sunday after a pleasant visit with their son, Ophir, and family here.

Mr. and Mrs. Emerson Thornley and son spent Sunday at the J. W. Arnold home, at Arnold station.

Miss Mildred Thornley was a caller in Virginia Saturday.

John Christen made a business trip to Philadelphia Saturday.

John Maddox of Eckman Chapel made our town a pleasant call Monday.

Mr. and Mrs. Frank Skaggs visited Mr. and Mrs. C. W. Maddox Saturday.

Miss Minnie Awall of Pleasant Plains and John Young, of Chatham were married last Thursday evening at the home of Mr. and Mrs. W. P. Mitchell.

The ceremony was performed by Rev. Paul E. Leichner, pastor of the Lutheran church, Pleasant Plains.

They will reside on the Epler farm, two miles south of Pleasant Plains, where Mr. Young is employed.

Mrs. Young is a graduate nurse of Springfield hospital.

STEIN LEADS IN CHECKER PLAY

Loses Only One Game in County Tourney Here Last Night

By winning three games, while only losing one, P. G. Stein last night took the lead in the Morgan County checker tournament which is being held at the City Hall. Stein has been playing consistent checkers and so far has won 18 games, lost 5 and has had only three draws. He has a percentage of 750.

Other leaders with percentages are: W. E. Thomson, 692; D. S. Chapman, 667; George Cox, 660; L. E. Biggs, 648; and Gaston Foote, 615.

The tourney will conclude with the play tonight and the two highest men in percentage will be the Morgan County entries in the Four-County Tournament which will be held here on the evening of April 15. Players from Greene, Scott and Cass counties will play in the tournament.

One of the interesting contests tonight will be the games between D. S. Chapman and W. E. Thomson. These games will have an important bearing on the final standings.

Stein is practically assured of a place at the top of the list if he continues to play the brand of checkers he has played so far during the tourney.

CITIZENS PARTY HOLDS 4TH WARD MEET LAST NIGHT

A meeting of the Citizens Non-Partisan party was held at the Washington School in the fourth ward last night. G. Cruzan acted as chairman in the absence of the regular chairman. He introduced the candidates for alderman in the fourth ward R. E. LeBeau and himself, and then presented the candidate for Mayor, H. E. Clemens. H. Jackson for city clerk and Miss Barbara Kennedy for treasurer. Jackson was speaker for the evening.

Clemens speaking briefly said "I am sincere and honest in my efforts to bring forth a city government for the people and by the people for the benefit of our citizens and free from political influence. We will open the closed gates of our city to outside industries thereby giving employment to our unemployed citizens. Each candidate on the Citizens Non-Partisan party ticket has pledged his whole support and cooperation to the citizens platform."

Jackson said he joined the party out of a sincere desire to better his fellow man and his city. "We are attempting to persuade people to vote the ticket thru a process of education rather than by promising jobs or holding a whip over someone's shoulders," he said.

Cletis A. Graves, aldermanic candidate from the third ward, spoke briefly.

A musical entertainment was given by Miss Leocania Clemens and a tap dance by Miss Wanda Hopper.

SEALED BIDS FOR YARD GOODS AND NOTIONS will be received by the Procurement Division of the Illinois Emergency Relief Commission, 2nd floor, 1919 South Michigan Avenue, Chicago, until 11:00 a. m., April 15, 1936, and then publicly opened.

Specifications and bid forms may be obtained from the Purchasing Department, same address.

R. J. Chesbro, Procurement Division.

Here's what Mike Tobin, university of Illinois publicity writer, found in digging around in his files—and published in the Daily Illini student newspaper:

"Illinois college of Jacksonville, the first college that the University of Illinois ever met in baseball, will return to Illinois field this week-end to play baseball against the Illini for the first time in 43 years."

"The first college baseball game the Illini ever played was against Illinois College here on Oct. 2, 1879. The university was victorious, 12-5. The collegians were frequent opponents from then on but competition closed with a game here on Oct. 7, 1892, which the Illini won, 15-0. Director George Huff was captain and manager."

"After this long lapse, relations will be resumed when Ray Nusspickel, former University of Illinois football and basketball player will bring his Blue Boys here for a Friday afternoon game and double-header Saturday."

"Nusspickel was graduated in 1932. He won two letters in football as a lineman and one in baseball as a catcher. Immediately upon his graduation he was selected by Director La Rue Van Meter of Illinois College as his assistant, but was given complete charge of the baseball team."

"In his first season, 1933, the Blue Boys won the Little Nineteen conference baseball championship, and last year they finished second."

The problem, now, as Nusspickel sees it, is to find enough sunshine to dry off a diamond for the game with Northwestern, scheduled for Thursday afternoon."

Says Russ Davis: "Northwestern is going to have to pay for a lot of mistakes we made at the University of Illinois, if we are able to play them, and if we get 'wet' out of that game, it's going to be doubly too bad for Iowa."

Des Moines municipal course golfers rose up in arms already this year when the park board there raised the levy for playing over the municipal courses. The park board claimed it cost 24 cents for every round of golf, due to the recent slump.

Reports out of Minnesota are to the effect that just before the recent basketball championship tournament a clique of gamblers attempted to bribe some of the players to throw a game. The coaches had a meeting about it, and found it at the boys were too much interested in the sport to be interested in cash.

Three Churches Plan Holy Week Program

Easter Pageant Arranged in Jerseyville; Announce Cast of Characters

Jerseyville—The Methodist, Baptist and Presbyterian churches of Jerseyville have completed plans for a union service in observance of Holy Week in keeping with a custom established here several years ago.

The annual union communion services this year will be held at the Baptist church on Thursday evening, April 18th at 7:30 o'clock with Rev. W. A. Steinkraus administering the Lord's Supper, assisted by Rev. W. L. Hanbaum, pastor of the Methodist church, and Rev. H. S. Farrill, pastor of the Presbyterian church. Officials of the cooperating churches will assist in the distribution of the elements. The choirs of the various churches will furnish special musical numbers for the occasion.

A beautiful Easter pageant, "The Awakening," will be presented in the Presbyterian church on Friday evening, April 19th at 7:30 o'clock. A large cast of characters, drawn from the membership of the three churches is being trained by Miss Rebecca Newcomb, Mrs. Robert Bowen and Mrs. Fannie Bradshaw.

Cast for Pageant

The cast of characters is as follows: Youth, Dorothy Lee Warner; Spring, Melba Keenher; Duty, Pauline Keenher; Easter Lily, Velma J. Thatcher; Mary Magdalene, Marcella Yocum; Voice, Rev. W. L. Hanbaum.

Flowers will include: Janet Snedeker, Peggy Walton, Marguerite Marsden, Charlene Norris, Marguerite Marsden, Erma Johnson, Mary Jo Burge, Mary Alice Brown, Grace Embrey, Maxine House and Ada Mounning.

The Problem Group will consist of: Elizabeth Bloomer, Beatrice Marsden and Roberta Lee Smith. Those in the Need Group are Marian Downey and Helen Heiderscheid, and the Ideals Group includes: Dorothy Daniels, Mary V. Sowell, and Mary Neely. Shadows will include: Raymond Lyles, Thomas Bloomer and Carl Steinkraus and "Sins" will be impersonated by Billy Kibler, Hugh Thatcher, Joe Woolsey, Buddy Walton, Junior Wise and Ira Worsham.

No. 16—Mark Smith, Charles A. Sheppard, John Petry, judges; Dorretta Sweeney, Minnie Haneline, Martha Bossarte, clerks.

Public Library Notes

A new and interesting shipment of books have just been received at the Public Library from the International Mind Above of the Carnegie Endowment for International Peace. This shipment includes the following titles:

Turkstone Reunion, by Eleanor H. Lattimore. This book giving a readable, personal, entertaining account of what must have been a very difficult journey into Central and Eastern China. It is sure to find many readers. It describes a part of the world which has, always been viewed as romantic and mysterious and reminds us once again that the problems of everyday life are not so easily solved in every country as they are in the well known cities of the Western world. It is a real story of adventure and there is not a dull page in the book.

The Great Wall Crumbles, by Grover Clark. The title of this book arouses curiosity. It is not often that a book with so much serious and authoritative information is written in so entertaining a style, or is divided so conveniently as to subject matter. Countless books have, of course, been written on China and the Far East, but this is one of the most comprehensive besides being of very recent date. February, 1935.

Bright Mexico, by Larry Barretto. Believing that first impressions are best and that even a tourist may see an old country from a new and fresh point of view, Mr. Barretto has written this informal appreciative account of the visit which he and his wife made recently to Mexico. The book avoids the usual guide-book information and background history; small anecdotes of the trip, personal reactions to places seen and occasional reflections on Mexican civilization Mr. Barretto's delighted attention.

Peace With Honor, by A. A. Milne. An ironical and humorously written plea for the abolishment of war. The

R. REYNOLDS SPEAKS FOR BLACKBURN

Says Republican Election Best For Both Parties; Others Give Talks

Ralph Reynolds, prominent local Democrat, speaking last night at the Jefferson school, endorsed Fletcher Blackburn for Mayor, and the rest of the Republican ticket in the city election April 16. Mr. Reynolds said in part:

"I know I am being severely criticized by my Democratic friends for the stand I am taking, but I am taking that stand for the good of my own party and for the welfare of the city of Jacksonville. We older Democrats will not stand for the kind of leadership controlling the party today. I am warning the people of this city that the Democratic organization seeks only power and patronage in its fight to control this city. Outside Democratic powers were planning 18 months ago to carry this election; this I know from personal contact."

"I believe the people of this city should run their own local government without interference from outside. Complete control by the Democrats as they are organized today bodes no good for the city. Work from now until election day to elect the Republican ticket."

The Republican rallies at both the Franklin and Jefferson schools were well attended. Enthusiastic audiences greeted the Republican candidates in spite of the inclement weather. At both meetings the city candidates were presented and spoke briefly. In the third ward Randolph Little and Franklin Mathews, candidates for alderman, addressed the audience with attorney Myron Mills making the principal talk. In the first ward, Ralph Green and John Baptist were the aldermanic speakers.

Blackburn Speaks
Fletcher Blackburn, candidate for Mayor, stated some of the things he thought needed attention in the respective wards. He mentioned improvement of the route entering the city from the northeast and a better road to Jacksonville cemetery. He declared further:

"I want the people to know that I am not controlled by any political boss or group. There are no outside party interests behind my campaign for Mayor. If elected I will do the best I know for all the people of this city and provide the municipality with a sound business administration. You know my record as sheriff of this county, and I am proud of it. When we had our financial crisis and surety companies would not write bonds, my friends in this county put me with a bond of \$184,900, putting up their property to back my integrity in office. A man could have no better recommendation than that. Among the friends who came to my assistance at that time were several Democrats, as well as Republicans."

Music for the meetings last night was furnished by the Odd Fellows quartet consisting of Ben Denny, Maurice Peckham, A. W. Waltham and Emmerson Lewis. They sang several selections, among them some rousing songs boosting the Republican candidates.

Robert Keating, candidate for city clerk, and Miss Gertrude Hamilton, candidate for city treasurer, addressed the people and pledged themselves to give faithful service and an efficient administration.

C. R. Grunty Speaks
The principal speaker of the evening was Attorney Charles Ray Grunty, who spoke as follows in behalf of the Republican city ticket:

"It is important to every citizen of Jacksonville that we have in the office of Mayor a man who is capable, whose business experience qualifies him to handle the job, and whose business sense is comparable to running the affairs of a business. You all know from the experience of the past few years how important it has been to have men at the head of business organizations who know how to watch the costs and expenses and to see that the income of the organization is expended for the most necessary purposes."

"The City of Jacksonville went through the depression the same as all other business communities and it is necessary that we have a steady hand at the helm of this City's government in order to keep efficient all the necessary departments and agencies of the city government and still live within our income. The experience which Fletcher Blackburn had in his own business in Morgan County during the past twenty-five years will stand him in good stead in administering the affairs of the City of Jacksonville. His ability to work with other people will be valuable to the city because the citizens will rally to his leadership. His experience in handling the affairs of the office of Sheriff of Morgan County during the years 1930 to 1934 in the conduct of which office he collected and disbursed great sums of tax money according to the dictates of the law, gave him experience which will be of the utmost value and importance in handling the affairs of Jacksonville as its Mayor."

"Fletcher Blackburn possesses all of the necessary qualities of ability, honesty and experience and he is the outstanding candidate for the office of Mayor."

Mr. Mills spoke in part as follows: "It should be remembered that suggested Mr. Blackburn to become a candidate for Mayor. They assured him of not only their personal assistance, but the assistance of all good citizens of any party who would hear their prayer for the election of a man of the highest type, and who is not shackled with the chains of organization obligations."

"Mr. Blackburn and his candidates come to you without being fettered or tied to any group or patronage machine. If elected to office, they will have the freedom to exercise their man."

UNDERWRITERS TO MEET TONIGHT
The regular monthly meeting of the Jacksonville Life Underwriters' Association will be held this evening, at the Peacock Inn. Dinner will be served at 6:15 P. M.

The guest speaker of the evening will be D. W. Flickinger, Springfield, agency supervisor for the Northwestern Mutual Life Insurance Company. He will be accompanied by E. E. Cantrell of Springfield, general agent for the Northwestern Mutual Life Insurance Co.

CARD OF THANKS
I wish to thank the friends for flowers sent at the time of the death of my grandmother, Mrs. Sarah Holman.

Marshall Berber.

G. T. S. CLUB OF MARKHAM HOLDS MEET WEDNESDAY

Mrs. Oliver Stout entertained the members of the G. T. S. club of Markham Wednesday afternoon at her home near Markham. After the business meeting, a play in charge of Mrs. Henry DeFratras was presented. The cast of characters were:

Bride—Mrs. Chester Thomason.
Groom—Mrs. Harry Killam.
Bridesmaid—Mrs. Harry Armstrong.
Best Man—Mrs. Howard Martin.
Minister—Mrs. Fred Carter.
Flower Girl—Frances Wolfe.
Ring Bearer—Joan Wolfe.
Music was furnished by Mrs. Ross Long and Mrs. Frank Wolfe.

The next meeting will be held with Mrs. Harry Armstrong on Tuesday, April 14. This will be the club anniversary meeting and their will be a plant exchange.

TALK HIGHWAY IMPROVEMENT AT WINCHESTER

Unimproved Roads Of Scott County Discussed; News Notes

Winchester, April 10.—Two meetings relative to unimproved roads of Scott County will be held here Thursday. The newly elected road district commissioners and clerks will meet with J. A. Young, county superintendent of highways, tomorrow morning and make plans relative to the improvement of the unimproved roads of the county. The most urgent needs of the various road districts will be discussed and an effort will be made to secure funds from the recent \$3,800,000 appropriation by the Federal Government to be used for public works and work relief. A meeting will be held at the Farm Bureau office in the afternoon which is intended to further the same purpose.

This meeting is sponsored by the Farm Bureau road committee, consisting of the following personnel: F. H. Balke, chairman; Earl Claywell, Frank Coughlin, Albert Rolfe, Frank Rockwood, and C. F. Mills. The following will meet with the Farm Bureau committee: County Commissioners, Harry Koch, W. E. Overton, Jas. Landis; Guy Paul, chairman of the Scott County Relief committee; Miss Elizabeth Milner, county relief director; Verne Northrup, who is in charge of work relief projects for the county; the road district commissioners and clerks of the 7 Scott county districts and the following committee from the local Kiwanis club: W. G. Watt, Albert Coultas, Dr. D. Wm. O'Reilly, and B. F. Walker. This meeting will consider primarily the development of "farm to market" roads in this county and the employment of "work relief" labor for this purpose.

Addresses Kiwanis
A. C. Booz addressed the local Kiwanis Club at its meeting yesterday evening upon the occasion of the observance of "Progress Week." Mr. Booz is a past Lt. Governor of this district of Kiwanis International and has taken an active part in the work of the local club since its organization more than ten years ago. He told of the origin of Kiwanis and its rapid growth. He stressed more particularly the accomplishments of the organization and the vast possibilities that it affords for rendering service to a community. Mr. Booz was introduced by W. G. Watt, chairman of the program for the evening.

At a meeting of the board of directors, the organization following the program it was voted to make the Kiwanis Club available for the meetings of the boys and girls clubs sponsored by the Scott County Farm Bureau.

News Notes
Mr. and Mrs. Wm. Knapp and Mr. and Mrs. Irvin Knapp attended the wedding of their nephew, J. Gordon Knapp, to Miss Ruth Dempeln at the First Evangelical Church in Glenn Ely, at 4 o'clock Saturday evening. The marriage was solemnized by Rev. Frederick of Lombard. The groom is the son of James Knapp of Lombard.

Mrs. N. T. Lashmet has received word of the birth of a granddaughter to her son Harry and Mrs. Lashmet at St. Francis Hospital in Evanston, Friday morning.

Dr. W. E. Harper attended a Dental School in Quincy today which was sponsored by the Dentists of that district.

The Ford sedan parked by Miss Louise Frost in front of the residence of T. J. Dugan yesterday afternoon was side-swiped by a car which was being towed by Chester Graves and both doors on the left side of the Frost car were badly damaged.

Mrs. Albert Coultas and Mrs. C. M. Danner departed this morning for Milledgeville, Georgia where they will visit their sons who are students at the Georgia Military College in that city.

Joe Suter of Springfield was a visitor here yesterday.

John Pine was a business visitor to St. Louis today.

C. E. Marshall and Milton B. Redd were visitors in St. Louis yesterday.

HOUSING IS DISCUSSED AT MEETING HERE

Women Can Make Program Success Says Miss Ruth Brannon

The women can make the housing program a success, because the success of this program depends upon how the money is spent, and women are managers of thirty million families in this country. Therefore, if each housewife plans how best the money can be spent, it will not only have an effect upon her own family but it will have an effect upon the whole community. In other words, it will raise the standard of living. So stated Miss Ruth Brannon, special representative of the Federal Housing Administration at a meeting at MacMurray College Wednesday afternoon. Dean Roma Hawkins presented the speaker who spoke in part as follows:

"The housing program will do much to stabilize our social order, as it will put people to work and will start the wheels of industry turning in order to produce the equipment that is to go into the homes of the country. However, we should not lose sight of our worthy objective of raising the standard of living throughout the land."

"Title two is an outgrowth of a deferred reform in a fundamentally unsound mortgage situation. Our present system was one unsound for the borrower and unsafe for the lender. In order to have a sound mortgage structure you must first recognize the fact that home owners must pay in relation to their income, namely, a monthly installment. The size of that income, however, heads tell us that we should not spend more than twenty-five percent of our income for shelter. When you state that, you state the amount of a mortgage that a man should assume and the length of time that it is necessary to discharge the debt. That time has been set by law at twenty years."

"The National Housing Act does away with the vicious system of second and third mortgages. The Federal Housing Program has established a mortgage system where the borrower's debt is tied to his income. It in reality means the security of the American home. This Federal Housing program gives to the American family a stake in the country that is theirs."

HILLVIEW WINS WOODSON MEET

Literary, Musical Contests Are Held Tuesday; News Notes

Woodson, April 10.—(P)—An invitational Literary and Musical meet was held Tuesday afternoon and night at the Woodson High school between the Rockbridge, Hillview and Woodson high schools. Hillview won the trophy with a total number of 51 points; Woodson, 35 points and Rockbridge, 25 points.

The following are the events and the order in which the school placed:

Oration—First, Hillview; second, Woodson; third, Hillview; fourth, Rockbridge; fifth, Rockbridge; sixth, Woodson.

Dramatic Declamation—First, Hillview; second, Rockbridge; third, Hillview; fourth, Woodson; fifth, Rockbridge; sixth, Woodson.

Piano solo—First, Rockbridge; second, Woodson; third, Rockbridge.

Humorous Declamation—First, Hillview; second, Hillview; third, Woodson; fourth, Rockbridge; fifth, Woodson; sixth, Rockbridge.

Quartet—First, Hillview; second, Hillview; third, Woodson; fourth, Woodson.

News Notes
Easter will be observed at the Christian church Sunday, April 21st as follows: Sunrise prayer meeting at 6:30 a. m.; Morning worship and a miscellaneous program by the Junior department of the Sunday school at 10:45 a. m.; in the evening an Easter Pageant, "Go Tell the Brethren" by the adults. The Public is cordially invited to attend all these services. There will be a week of pre-Easter services beginning Sunday evening, April 14.

Mrs. Ida Megginson assisted by Mrs. Florence Main entertained the Ladies Aid society of the Christian church Tuesday afternoon at the Megginson home. There was a good attendance of members, Mrs. Luella Henry had charge of the Devotionals and the program with Easter as the subject. Roll call was answered with a precious promise of Christ. The quartet sang "Sweet and Low." Members of the quartet are Virginia Owings, Frances May Harney, Gladys Leeper, Virginia Basham.

There were readings by a group of members and a vocal solo, "Wonderful Love" was sung by Harriette Smith.

At the close of the meeting, the hostess served delightful refreshments.

Dr. A. Vanderhorst and F. J. Baxter attended the Presbytery held at Springfield Monday.

Mr. and Mrs. Alfred Lamb of Murfreesboro were callers here today.

Friends here of Johnson Sheppard were deeply grieved to hear of his death. He was a former resident of here. The family have the sympathy of their many friends here.

PASSAVANT HOSPITAL

Fred Vortman of Chapin entered the hospital Tuesday evening.

Howard Elliott, Athensville became a patient at the hospital yesterday.

Mrs. Bessie Jennings Waverly was able to leave the hospital Wednesday afternoon.

H. W. Broberg of White Hall was a caller here yesterday.

Society

Athletic Association Plans Benefit Bridge

The Athletic Association of the Jacksonville high school is sponsoring a benefit bridge on April 26, the proceeds of which are to finish the payment of the debts of the organization. The bridge is to be held at the high school building, beginning at 7:30. Complete announcements will be made at a later date.

This is a project in which both faculty members and students are taking part. Miss Helen Kamm is general chairman for the event, and will be assisted by committees of faculty members and students.

Guild Elects Officers At Tuesday Meeting

Mrs. Edward Jackson was elected president of the T. B. U. Chapter of the World Wide Guild of the First Baptist church at a meeting held Tuesday evening at the home of Miss Marjorie Kitcher, on West Lafayette avenue. Other officers elected were: Vice-president—Marjorie Kitcher. Secretary—Bernadine Bush. Treasurer—Ina Stewart. Social chairman—Ruby Ehrlich. Reading chairman—Ethel Martin. Program chairman—Hazel Fuller. White Cross chairman—Mary Chapman.

Counsellors—Mrs. F. D. Stone and Mrs. T. O. Smirl.

A social hour was enjoyed at the conclusion of the meeting.

Passavant Alumnae To Meet At Hospital

The regular meeting of the Passavant Hospital Alumnae Association will be held this evening at 7:30 at the hospital instead of with Miss Maude Robinson as previously announced.

There will be a short business meeting, after which Mrs. Lillian I. Danekin will talk to the society on "The Value of Insurance."

At the conclusion of the meeting, light refreshments will be served by the hostesses, Miss Maude Robinson, Miss Edna Tholen and Miss Ina Bohanan.

Woman's Relief Corps To Meet Friday

The regular meeting of the Woman's Relief Corps will be held Friday afternoon at the American Legion at 2 o'clock. Following the business session, a patriotic program will be presented which will include talks on "The History of Grand Army Day" and "Appomattox Day."

The public is invited to attend the meeting.

STATE STREET CHURCH HOLDS ANNUAL MEET

Congregational Meeting Held Last Night; Officers Are Elected

The annual congregational meeting of the State street Presbyterian church was held last night at the church with the pastor, Rev. Glen Schillerstrom acting as moderator and H. F. Triebert as stated clerk. Supper was served at 6:15 o'clock to about seventy-five persons.

Reports of officers and department superintendents were heard, the reports showing the church having had a most successful year. Officers were elected.

They are as follows:

Elders for three years—William Nicol, H. F. Triebert, C. E. Rice. Deacons—W. F. Bailey, Dave Lander, Clyde Fitch for three years; Byron Lewis for two years and William Findley for one year.

Trustees—Harry Strawn, Carl Gebhardt, S. J. Foley for three years; John Hackett for two years and C. O. Gordon for one year.

BICKHAM SPEAKS AT LIONS MEET

Dr. M. H. Bickham, director of the program planning for the Illinois Relief Commission, addressed the members of the Lion's Club last evening concerning the conditions of relief in this state during the last five years.

Dr. Bickham quoted briefly to the clubmen several figures showing the number of families dependent upon relief in various districts of Illinois. In some counties 40 per cent of the population are on the relief list. In one city, 2000 of the 4200 on relief had no personal property whatsoever. They lived in houses belonging to other people, and used house furnishings owned by another. The speaker cited many other incidents to show the tremendous need for relief work in the state and also pointed out the excellent work which the commission has been doing.

Dr. Bickham's address was greatly appreciated by the club members.

ISSUE WEDDING PERMITS IN GREENE

Carrollton, April 10.—County Clerk Guy Bridgewater was kept busy with Cupid Saturday and during the day he issued licenses to four couples to wed: Jesse C. Menefy of Greenfield and Miss Ollie Pitchford, Rockbridge; Jesse Singleton and Mrs. Eva Wells, both of Carrollton. The two couples were wed by Justice W. C. Kelly in his office in the court house, Woodford Lee Perkins and Miss Minnie P. Simpson, both of Kane; and Russell Hillis, Carrollton, and Miss Lettie Lee Howley, Greenfield. So far this year the number of marriage licenses issued here is a large percentage ahead of the same period last year.

Alexander business visitors here yesterday included Bert Courten.

Theta Sigma Has Annual Meeting

Theta Sigma Society of MacMurray College held its annual meeting Tuesday afternoon in the society hall. A program was presented in commemoration of the 200th anniversary of the birth of John Sebastian Bach. Harriett Close read a paper on the Life of Bach and Eleanor McMurdo played his Prelude in C Minor.

Lambda Alpha Mu Society Plans Tea

The regular meeting of Lambda Alpha Mu literary society of MacMurray College was held on Tuesday afternoon in the society hall. During the business session plans were discussed and committees appointed for a tea to be given on Saturday, May 4.

Aid Society Observes 34th Anniversary

The thirty-fourth anniversary of the Ladies Aid society of the Centenary M. E. church was observed Wednesday afternoon at the home of Mrs. E. L. Kinney on South Prairie street. Mrs. T. H. Buckthorpe presided at the meeting.

The program for the afternoon was as follows:

Devotions—Mrs. Ira Patterson. Roll call—Easter Verse.

Mrs. T. H. Buckthorpe gave a resume of the activities of the aid society and Miss Amelia Bourn, secretary, compared the aid society of today with the organization from the beginning.

Mrs. Claude Vail read a paper on Easter customs and celebrations in different lands from the time of Christ to today.

Seven women present indicated willingness to become active members.

A social hour was enjoyed at the conclusion of the meeting. Mrs. Kinney and Mrs. M. M. Blair presided at the tea table. Assistant hostesses were the ladies whose birthday occur in April and were Mrs. Emma Fentemaker, Mrs. Clara Hoover, Mrs. A. C. Metcalf, Mrs. Hannah DeWolfe, Mrs. Christina Wagener, Mrs. Ira Patterson and Mrs. Bertha Hoover.

Mrs. Engelbach Hostess To Wednesday Class

Mrs. Friedrich Engelbach, 1106 West State Street entertained the members of the Wednesday class yesterday afternoon at her home. Mrs. Miller Wier was the leader for the afternoon and gave an interesting review of Stewart Chase' book, "The Economy of Abundance."

Delightful refreshments were served by the hostess.

A. B. JOHNSON HEADS GREENE ROTARY CLUB

Annual Election Is Held At Roodhouse—Other News Of Interest

Roodhouse, April 10.—The annual election of officers of the Rotary club took place at the Tuesday noonday luncheon, as follows:

President—A. B. Johnson. Sec'y-treas—Leroy Hopkins. These officers will be installed June 1, for the ensuing year.

Bruce Williams, Past District governor of district 15 of Rotary International of Joplin, Mo., representing Rotary International was the guest speaker, his most interesting topic being "Objects of Rotary." T. E. Musselman of the Gem City Business College at Quincy, and C. F. Brown, Alton Rotarian, were also guests.

News Notes

Dr. T. E. Musselman of Quincy was the guest speaker at the Roodhouse high school Tuesday at 9 A. M. Dr. Musselman is a man internationally recognized for his scientific work among the birds of North America. "T. E." as his students commonly call him, has written many works. Perhaps the most valuable being "A History of the Birds of Illinois" which was written and compiled for the Illinois State Historical Society.

Quite a number of visitors outside the school, attended his most interesting lecture, his topic being "Ghosts" a true story of some of the serious tragedies resulting from carbon monoxide gases.

Mrs. Guy Wolfe was hostess to the Friday afternoon Bridge club at her home in Roodhouse. All the members were present, Mrs. C. E. Braznell being there after an absence of several weeks during her sojourn in Calif. Mrs. A. Barrow, guest, was high prize winner, Mrs. W. E. Wolfe served dainty refreshments to entertain the club, the date not being set yet.

Mrs. Will Crabtree is quite improved, after a lengthy illness.

Dr. O. L. Edwards is still improving, and able to be up and around his home.

J. R. Baker is confined to his home the past several days by ill health.

Buell Cuddy is confined to bed by heart trouble.

FOUR-H CLUB MEETS

The Pleasant Grove 4-H club met recently. 4-H club officers are invited to attend a meeting on April 22.

Those present at the meeting were George Nickel, Wilbur Nickel, Alice Nickel, Glenn Lovecamp, Paul Kloker, Martin Burren and Robert Burris.

FUNERAL NOTICE

Funeral services for R. J. Sheppard will be held this afternoon at 2:30 at the Williamson Funeral home with Rev. Roy March of Hettick, officiating. Burial will be in Diamond Grove cemetery.
